

# Flower Bulb Sale

**BULBS ORDERED IN SPRING 2022 WILL ARRIVE IN DENVER IN MID-OCTOBER'**

Order your bulbs today

Every spring the League of Women Voters of Denver sells high-quality Dutch Tulip Bulbs to deliver in the fall. As a fundraiser our Jeffco League participates in this project and receives a portion of all our sales. Last year we netted over \$400.

The Denver LWV has been working with the same supplier, a Holland native who lives in Colorado half the year, for nearly 30 years. He knows what works in Colorado, and the bulbs come directly from Holland. We have pictures of all the products we sell, which include hyacinths, tulips, daffodils, various miscellaneous bulbs, and indoor forcing bulbs such as paperwhites and amaryllis.

We will be taking orders for flower bulbs **April through June 3** and then deliver them in October after the shipment arrives from Holland. You may want flowers for your yard, for gifts, or you may choose to donate bulbs to a school or park.

**Placing an order is simple and easy.**
